President's Report Nicci Young

Greetings! I hope this newsletter finds you well. I had the honor to see many of you at the regional meeting in West Chester, PA back in November, but for those of you who did not attend, you missed a great conference! The Sigma Tau Omicron chapter hosted a great three days worth of competitions and training focusing on the Mafia in Philadelphia. They did a fantastic job, kudos to STO!

Our 2016 Regional Conference will be hosted by Psi Omega at the University of New Haven, Connecticut, in the fall. Having been to a conference hosted by them a few years ago, I can assure you this will be top notch! I look forward to hearing their plans to give you a great conference experience over the next few months. Stay tuned!

Over the last few months I have spent my time getting to know my new bundle of joy. I gave birth to my son, Declan Patrick, just 3 weeks before the regional conference. I must say that having 2 children in under 2 years has definitely kept me on my toes! Declan is doing wonderfully and his sister Teigan is over the moon with her new sibling. I returned to police work fulltime in January and I haven't had much free time (what's that?) but, in my free time I have been contacting chapters within our region, specifically inactive chapters, and offering to help them to become active again. In the last few weeks many of these chapters have reactivated. Region IV has also chartered or re-chartered several chapters this year. Our region continues to be one of the best in the Association!

Many of you will graduate this spring, and to you, Congratulations! You've made it and the future is yours for the taking. Just because you graduate does not mean your relationship with ACJA/LAE has to end, in fact, you just may get more out of the Association after graduation than when you were in college. I urge you to remain members of ACJA/LAE for many reasons: First of all the networking between professional members is amazing. On more than one occasion I have been able to reach out to an ACJA/LAE member in another state in order to help with an investigation or answer a question. Members often reach out to other members with information on job postings or training that is available. I have written countless letters of recommendation to friends I have met through this organization. And these members have become friends-not just fellow ACJA/LAE members- and lifelong friends, family really, at that. Three of my five bridesmaids and a groomsman in my wedding are members, three of which I would not have met if it weren't for this Association. Countless other guests at my wedding, guests at my children's birthday party, friends who visited me in the hospital, people I talk to on a daily basis- all of them I have met through ACJA/LAE. I can honestly say that I know – personally know- a member in every single state in the United States. These relationships speak volumes about the Association and the types of members we have. So if you think graduation means moving on from the Association, please consider joining as a member at large or apply for membership in one of the professional chapters in Region IV- or even start your own! I did 12 years ago, and I am so glad I did. If you have questions regarding ACJA/LAE, or need help with your chapter, please do not hesitate to email me at acjacops@gmail.com.

I hope to see you all in Sacramento! Be safe and God bless.

Vice President's Report

Joe Walsh

Hi everyone! I hope that your year is going well so far! I can't believe it is time for the national conference again!

I enjoyed seeing everyone at the regional conference in West Chester. I would like to thank Sigma Tau Omicron for a great conference and for all their hard work! I am hoping to see all of you at the upcoming national conference in Sacramento, CA. It looks like it is going to be a great (and hopefully warm) conference!

As we approach graduation season, I want to congratulate all of you that will be finishing up your degree this year. I hope that you will stay with the organization after you graduate. Remember, you can still remain a member even after you are done with school! You can either join a professional chapter (like COPS or SRT) or you can become a member-at-large of region 4.

Please feel free to reach out to me if I can assist you with anything. I hope to see you all soon!

Joe

2015 ACJA/LAE Region IV Conference Final Report
Hosted by Sigma Tau Omicron (West Chester University)

Sigma Tau Omicron (West Chester University) hosted the 2015 ACJA/LAE Region IV Conference from November 6-8th, 2015. The theme of the conference was 'Gangsters, Mobsters, and the Mafia: The City of Brotherly Love'. There were 105 registered participants generating \$10,015.00 in registration fees.

The exams were written by professors from St. Cloud State University, West Chester University and the University of Minnesota-Crookston. The guest speakers focused on organized crime issues from a police, legal and journalist perspective. The speakers were former Philadelphia Police Department Captain Albert DiGiacomo, US Attorney David Fritchey, and journalist/author/expert on the Philly Mob, George Anastasia.

The physical agility/fitness test was conducted on the grounds (parking lot) of the host hotel, Days Inn and was a success. There were no injuries to report. The shooting competition, hosted by Target Master, was also a success with no injuries/accidents to report. The awards/dinner banquet and dance party was a themed event where the majority of the participants dressed in their 1920s-1940s gangster outfits. This too was a huge success.

Overall, the conference was a tremendous success.
